

Speaker Biography

Richard A. Mathes has been interested in improving the lives of others for more than forty years. He spent five years at the California Mental Hospital as a licensed Psychiatrist Technician. He taught inner-city children during the first year he was there and experienced the values of a good sense of humor. Five years ago Richard Mathes started his role as a trainer with Love and Logic.

A quote from Richard A. Mathes:

"Love and Logic offers many user-friendly techniques."

Loveandlogic.com

Parenting with Love and Logic will give you the tools you need to tackle every day problems that will no longer rule your household or child care program. In addition, it will help you give your child the confidence they need to solve problems on their own.

Training Objectives:

- Define Empathy, its importance in the Love and Logic program, and how it differs from sympathy.
- Introduce and discuss the 5 steps to “Guiding Children To Solve Their Problems”.
- Introduce and discuss Parenting, “The C.O.O.L Way”.
- Discuss how the Love and Logic supports parents and teachers working together.
